

Weardale Navigational Rally

13th March 2010

Promoted by

Durham Automobile Club Ltd

Introduction

Welcome to the 2010 Weardale Navigational Rally organised by Durham Automobile Club Ltd.

The route will feature some of the classic road rally roads of the past over well-surfaced roads. The 90 mile route is therefore not hard on cars and standard production cars are suitable. The event is open to any car complying with the MSA technical specifications.

The instructions this year will be easy for all classes, with the Expert and Non-Expert classes getting the same instructions, and the Newcomer and Historic classes getting simpler instructions, being a combination of marked maps and straightforward navigation of grid references, gridlines, spot heights, and tulips.

The event will start in Mickleton, near Barnard Castle, and finish at Barnard Castle Golf Club, Barnard Castle (92/053178) where there will be food available.

If you require any further information please do not hesitate to contact me for further information, and I look forward to seeing as many people as I can on the night.

Please note if the minimum number of entries is not received by the closing date the event will be cancelled, so get your entries in on time

Finally!!

If you are not able to take part in the Rally but are free on the 13th any help with marshalling would be greatly appreciated.

Gordon Dundee (Clerk of the Course).
